EDUCATION

MVJ College of Engineering

Information Science B Tech

CGPA: 7.71

Bangalore

Nov/2022 - May/2026

St. Marys Pu College

PCMB PUC

Percentage: 88.5%

Chikkamagaluru

June/2020 - April/2022

Deeksha English High School

10TH SSLC

Percentage: 90.4%

Kadur

June/2019 - July/2020

EXPERIENCE

Dhee Coding Labs(BTM Branch) | Python Full Stack Trainee

Bangalore | Feb/2026 - Present

- Currently upskilling in Full Stack Development and actively building real-world projects to strengthen Python development skills.
- Hands-on experience in developing responsive web applications and improving problem-solving abilities through practical project implementation.
- Skills in **Python** ,**HTML** ,**CSS** and **JavaScript** ,**SQL** with a strong interest in software and web development.

SKILLS

Programming Languages: Python, Html, Css

Libraries/Frameworks: JavaScript, React, Django

Databases: Sql, MySql

PROJECTS / OPEN-SOURCE

Organ Transplantation and Recipient Matching System | [Link](#) *Python Html CSS JavaScript Sql ML*

- Developed the organ donor-recipient matching system using Machine Learning to predict compatibility and improve transplant success rates.
- Implemented real-time compatibility analysis by considering blood group, HLA matching, medical history, organ condition, urgency level, and geographic distance between donors and recipients.
- Built a full-stack web application using Python, SQLAlchemy, SQL, Geopy, and Chart.js for location mapping, and visualization of transplant matching results.

Personal Portfolio Website

Html Css JavaScript

- Designed and developed Bhu1xDev, a responsive personal portfolio website using HTML, CSS, and JavaScript to showcase projects, technical skills, certifications, and achievements.
- Implemented responsive user interfaces, smooth navigation, and mobile-friendly layouts to enhance user experience across multiple devices.
- Created dedicated sections for project highlights, technical expertise, resume download, and contact information with a modern and professional design.

CERTIFICATIONS

- Python - **Spoken Tutorial Project**, IIT Bombay.
- SQL and Relational Databases 101 - CognitiveClass-ai

HONORS & AWARDS

- Solved 60+ coding problems on LeetCode, strengthening problem-solving and data structure skills.
